

Chief Madothi Children's School & Feeding Fund

Cape Maclear, Chembe Village, Monkey Bay, Mangochi Region, Malawi

Dear Canva Humanitarian Team,

Warm greetings from the shores of Lake Malawi. We are Mike and Adine, founders and partners of the **Chief Madothi Children's Fund** in Cape Maclear. Our mission is simple but urgent — to provide education, nourishment, and opportunity for the children of Chembe Village, where even a few kwacha can mean the difference between learning and hunger.

We were inspired to see Canva's support of **GiveDirectly's humanitarian work in Malawi**. It gave us hope that organizations like yours truly care about communities such as ours, where small actions create lasting change.

Every meal served and every book provided brings another child closer to hope, dignity, and opportunity. With community volunteers, local leaders, and Chief Madothi himself, we are building a grassroots effort that uplifts children through education and daily nutrition.

Queen Choice

Form: 1

Loves English and reading storybooks. Aspires to become a teacher who inspires young girls in her village to stay in school and dream big.

Peggy Choice

Form: 1

Enjoys helping at home and says her favourite subject is Life Skills. She hopes to become a nurse like her grandmother and serve her village.

Gracious Choice

Form: 4

Loves soccer and enjoys Mathematics. Dreams of one day playing for Malawi's national team while mentoring younger boys in his village.

Eledi Chifundo

Form: 1

Quiet and thoughtful, Eledi enjoys Life Skills and Reading. She also dreams of becoming a teacher to help young girls in her village discover confidence.

Impact Snapshot (Per Child):

Education – MWK 130,000 / R1,300 » \$75 per term (\$226 per year)

Feeding – MWK 144,000 / R1,440 » \$84 per term (\$251 per year)

Total: Around \$500 per child per year for full education and feeding support.

Proud Obu
Form: 1

A strong, serious young man who takes pride in doing every task well. Intelligent and ambitious, he wants to build a future that uplifts his community and creates opportunities for others.

Tamandani Msukwa
Form: 3

Bright and determined, Tamandani loves Mathematics and Science. She hopes to study medicine one day and bring better healthcare and hope to her village.

Clement Mawera
Form: 1

Clement is a cheerful and hardworking learner who enjoys Mathematics and drawing. He wants to paint and create curios to sell to the people who visit his village.

Precious George
Form: 2

Precious is thoughtful and observant, with a natural curiosity about how things work. He hopes to one day become a mechanic to keep vehicles and boats running safely.

Precious Phiri
Form: 1

A cheerful boy who enjoys working with his hands. He dreams of becoming a builder, helping to create strong homes and better classrooms for the children in his village.

Lisa Kasumbu
Form: 1

Lisa is a caring and kind learner who enjoys Social Studies. She hopes to become a social worker, helping children and families in need to find support and encouragement.

Victoria Ntata
Form: 2

Victoria is confident and hardworking, with a love for Science and Reading. She dreams of becoming a community health worker, teaching families about hygiene, nutrition, and wellness.

Innocent Robert
Grade: 4

Innocent's father was a fisherman who tragically drowned in the lake. He has become like a son to us, hoping to continue his schooling and build a bright future.

How Canva Can Help:

- Sponsor or fund the nonprofit registration in Malawi.
- Collaborate through Canva's humanitarian partners, such as GiveDirectly.
- Provide a complimentary Canva Pro for Teams account to empower our local outreach and storytelling.

Together, we can bring dignity, education, and nourishment to more children — one classroom, one meal, one smile at a time.

Warm regards,

Mike and Adine
